

2012 Student Application

EXPERIENCE PERU is a 21 day service and adventure trip offered by the CCO. Through serving in local villages, trekking through small farming and weaving communities and visiting historic landmarks like Machu Picchu, you will encounter the culture, history, politics, economy and outdoors of Peru. The theme of the trip is relationships – relationships with God, others, self and creation. Imagine how God could radically change your relationships with Him, people of other cultures, His creation and even how you see yourself by serving and living with the people of Peru and traveling through its unique landscape.

Dates: May 10-31

Cost: \$2,900. Part of your trip tuition will go directly towards the underprivileged communities in Peru that you will serve in. Participants are expected to participate in fundraising for the cost of the trip.

Application Instructions: Tell your CCO Campus Minister that you're applying for Experience Peru. Then, you can either fill out the application with your campus minister or fill it out on your own and meet with your campus minister to discuss your answers. Your campus minister will send your application with a recommendation to Sam Van Eman, Lead Instructor of Experience Peru. You can expect to hear if you were given a spot on the trip or on the waiting list within three days of receiving your application. Questions? Contact Sam Van Eman svaneman@ccojubilee.org or (814) 397-5238.
